In Cold Blood is considered an example of "New Journalism," a genre that was pioneered in the 1960s and 70s by Capote as well as Tom Wolfe, Norman Mailer, Hunter S. Thompson, and Joan Didion, among others. (Capote, however, disliked this branding, referring instead to his work as a "nonfiction novel.") The New Journalists were the first to employ literary techniques – or techniques adapted from fiction writing – to present their nonfiction narratives. The result was a new brand ...

As Capote was writing In Cold Blood, he would periodically show small parts of the manuscript to Perry Smith and Dick Hickock, the accused murderers and primary characters, with whom he corresponded regularly. Smith didn't like the title because he felt the murders hadn't been committed in cold blood; that is, without emotion. Capote told Smith the title had a double meaning, but he wouldn't tell him what it was. Capote felt capital crimes should be tried in federal courts, and those found ...

In Cold Blood On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. As Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, he ...

In Cold Blood was first published serially in four parts in The New Yorker magazine in 1965, and then was released months later as a book. I introduce my students to this idea of serial publishing and have them pay attention to it since the book is segmented into four very different parts. The novel follows the investigation of the Clutter murder, their murderers, Perry Smith and Richard ...
